## Cemcolori Art Collection is decorative and functional

Cemcolori concrete stucco is naturally waterproof and, which makes it unique in the market. The Cemcolori Art Collection has the same advantages as Cemcolori concrete stucco and realized in multiple layers. This creates decorative relief with artistic structures reminiscent of leather, wood, rock, fossil and natural stone. So every wall is unique. In addition, you can make the color exactly as you want. For example, rust, gold and copper color. Let your imagination go. Cemcolori Art Collection therefore fits into any interior in any room.

We are happy to bring you into contact with specialized Cemcolori Art processors. They will gladly take on the challenge with you and have the experience and knowledge to guide you through this process.
